

202 - Resident/Fellow Appointment Agreement

Morehouse School of Medicine (MSM) hereby offers you, Jane Doe, a position as a Postgraduate Year (PGY)3 Resident/Fellow in the Cardiology Morehouse School of Medicine Residency Education Program beginning 7/1/2022 and ending 6/30/2023, subject to the execution of this agreement by all parties. The term "resident" in this document refers to both specialty residents and subspecialty fellows. The term "residency" in this document refers to both specialty and subspecialty fellowship training programs.

This relationship is governed by all policies and conditions required by MSM, its residency and fellowship programs, and its educational affiliates (participating sites), as well as by the laws of the United States and the State of Georgia. A "Resident" is defined as a physician-in-training matriculating within a defined period of post-graduate medical education, under the supervision of faculty teachers and/or attending physicians in accordance with the educational standards for residency as defined by the Accreditation Council Graduate Medical Education - Residency Review Committees (ACGME - RRC's) and the American Board of Medical Specialties (ABMS). A "Fellow" is defined as a physician who has completed residency and is able to practice independently in their core specialty. The prior medical experience and expertise of fellows distinguish them from physicians entering into residency training.

1. Responsibilities: As a Resident/Fellow you shall abide by (i) the conditions and responsibilities set forth within all MSM policies and procedures, and (ii) the rules and regulations of the health care profession and the education affiliates and facilities to which the MSM residency/fellowship program director assigns you. You may enter the program at other times during a post graduate year with program director and designated institutional official approval, but must complete all requirements according to the goals, objectives, requirements and structure of the program.

Compensation: You will be paid in 26 bi-weekly installments based upon an annual rate of \$100,000. When you work less than a month for that period, compensation shall be computed on a daily rate.

Conditions of Employment: Any conditions or provisions described in this Agreement, which are dependent upon the availability of resources beyond the control of MSM or its participating affiliates, shall not be binding on MSM in the event of the unavailability or loss of these resources, except where the loss of these resources would jeopardize the continued accreditation of the MSM residency program or your education.

4.1. MSM and its residency programs follow the Terms and Conditions of the Match Participation Agreement between Participating Institutions and the National Resident Match Program (NRMP). Once a party has matched or a position has been offered and accepted through the Match Week Supplemental Offer and Acceptance Program (SOAP), a waiver of the binding commitment may be obtained only from the NRMP.
